

Albert Einstein was once asked how he discovered the Theory Of Relativity. He said, " I didn't discover it. I was listening to music and the whole thing dropped in."

## Studio Contract Summer 2021

Parents, please review these Studio Policies *with* your student. Both of you should sign and then keep this for policy reference if needed during the year.

### STUDENT & PARENT GUIDELINES (4 yrs. to 9yrs.)

1. **Parents** should help the student set up a regular **daily** practice schedule.
2. Parents, please review teacher notes with your student before each daily practice.
3. Students, please ask questions if you are unsure of anything. (Parents please email the teacher, if **you** are unsure of anything)

### STUDENT & PARENT GUIDELINES (10 years and up)

1. Parents should still help the student set up a regular **daily** practice schedule. The student should have input in this process, however.
2. Students, please review the teacher notes in your notebook before each daily practice.
3. Students create daily, reasonable goals for yourself and be responsible for completing assignments before the next lesson.

### PARENTS

1. Make sure your child is well rested, fed and hydrated.
2. Provide a quality, **regularly tuned** instrument.
3. Provide a quiet, **cheerful** practice area at home.
4. Encourage your student to review teacher notes after each lesson and to be responsible for the material brought to lessons.
5. Assist your student, age 4 - 9 years, with home practice. Be encouraging and playful.
6. Age 10 and up, help your student create a practice plan and be there to encourage when things are difficult. **Parental support is just as valuable with your advancing student!**

### ATTENDANCE & CANCELLATIONS

1. If your student is a "no show" to your reserved lesson, that lesson is lost.
2. For emergencies or illness, lessons can be made up. **Please call or text 616-690-6887.**

### SUMMER LESSONS

1. **Summer lessons are calculated on a per lesson** basis of \$40 per 40 min. or \$60 per 60 minute lesson with vacation days not charged. A minimum of six summer lessons is the requirement for continuing studio lessons in the fall.

### PARENT ACKNOWLEDGEMENT
